

## 3M™ FASARA™ Glass Finishes Cloud Narrow - SH2FGCN

### Product Description

3M Fasara Cloud Narrow (SH2FGCN) is a gradation style (lighter to darker), durable polyester film with a pressure-sensitive adhesive. This decorative film can be used on vertical glass applications to control both light and privacy through a building's interior glass.

3M™ FASARA™ Glass Finishes are decorative window films that are available in 100+ designs. Fasara films provide the look of frosted, etched, cut, sandblasted, and textured glass at a fraction of the cost of custom glass.
