

**3M** Science.  
Applied to Life.™

# Your favorites, turbocharged.

Elevate your performance with a wrap film and overlaminate combination that installs faster and looks even better.

## 3M™ Print Wrap Film IJ180mC-10

- ▶ 3M™ Comply™ Air Release with micro technology provides smooth results
- ▶ Medium/low initial tack
- ▶ Stretches 130% and maintains lift resistance without primer
- ▶ Excellent slideability and removal

## 3M™ Scotchcal™ Gloss Overlaminate 8518

- ▶ Glossy, "wet paint" look and excellent clarity
- ▶ Highly conformable for compound curves
- ▶ 2 mil cast vinyl film will not shrink
