3M Commercial Solutions
3M™ Scotchcal™ Perforated Window Film IJ67

Film IJ67
Success You Can See
Through

Open a window of opportunity with Film IJ67, a perforated, removable solution for attention-grabbing, short-term window graphics.

Cross-platform printing
Film IJ67 comes with a polycoated paper release liner that is backed with a continuous paper layer, enabling easier registration on UV, solvent and latex digital printing platforms.

Rich image quality
The 60/40 perforation pattern offers increased first surface image quality and density, while allowing see-through viewing from the inside.

Simple handling
This 5.9-mil vinyl film is designed with a pressure-sensitive, removable adhesive so it can be easily installed on indoor and outdoor glass, acrylic and polycarbonate surfaces. It's an ideal solution for promotional retail and non-regulated vehicle windows.
