

3M Science.
Applied to Life.™

Congratulations

Your vehicle windows are protected with 3M™ Automotive Window Film.

Important Notice: Window Care

After installation, there may be a hazy appearance. This condition is temporary, caused by the moisture used in applying the film. After this moisture dries, the hazy condition will disappear. **DO NOT** operate windows until your film is dry. 3M Automotive Window Film may be washed with common washing solutions thirty (30) days after installation. Abrasive type cleaning agents and bristle brushes which would scratch the film must **NOT** be used.

Record of Installation

Form must be complete for warranty to be valid.

1. Maintain solar reflective properties without cracking or crazing.
2. Maintain adhesion without blistering, bubbling or delaminating from the glass.

In the event the product is found to be defective under this warranty, seller will replace such quantity of film proved to be defective. Seller will also provide reapplication labor free of charge during the warranty period. This warranty is provided only to original consumer and is not transferable.

Please retain this warranty card as it must be presented along with your original invoice to a participating 3M Authorized Automotive Window Film Dealer to receive warranty service.

The legality of automotive window tinting varies from state to state or province to province. 3M shall not be responsible for or have any obligation to determine the legality of the consumer's window film application, so consumers should familiarize themselves with the applicable legal standards in their state or province. Moreover, while this warranty will cover and replace the defective product itself regardless of where the product is installed on a vehicle, the consumer will hold harmless against any and all liability, loss, and expense arising out of an illegal application of the product. This warranty covers the application of 3M Automotive Window Films. Seller reserves the right to test any films under warranty service.

This warranty is VOID if the product has been subjected to abuse or improper care. Except for the obligation to replace defective film and reapply film as described above, Seller shall not be liable in either tort or contract for any loss or damage, direct, indirect, special, consequential, or incidental, arising out of the use or inability to use this product. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply. This warranty gives you specific legal rights and you may also have other rights which vary from state to state or province to province.

Claims Process

To obtain warranty service, please contact your 3M Authorized Automotive Window Film Dealer. If you have additional questions, you can also contact 3M at 1-866-499-8857.
