

3M Paint Protection Film Training Class

3M Paint Protection Film Preferred Installer
(optional testing required)

Paint Protection Film

EPD offers a two (2) day hands-on installation training class for the trainee to learn the most exacting standards and best practices for protecting vehicle surfaces from chips, scratches, and weathering through the installation of 3M Paint Protection Film.

You will leave with a Certificate of Completion. When you have mastered your installation techniques after some practice, you can take the next step to further your accreditation by successfully passing an installation test within twelve (12) months of your original training. Once you have passed the test, you will receive the title of **3M Paint Protection Film Preferred Installer**.

\$1,395.00 PER PERSON

Class Time

8:30 am - 3:30 pm Eastern each day

The price of the course includes:

- Lunch each day
- Installation tools
- 3M-branded apparel

EPD University is not an accredited educational institution. It is simply a framework for providing installation, sales, and marketing training to new members of the automotive and architectural film industries.

Training is conducted at the following training centers.
