The following warranty is only valid in the United States and Canada.

3M warrants that applied 3M™ Wrap Film Series 2080 will be free of defects in materials and manufacture – including yellowing, bubbling or cracking. This warranty does not apply to damage caused by misuse, accident, misapplication or ordinary wear, nor does it apply to dents caused by physical impact of rocks or road debris. Warranty coverage does not include paint pull during film removal process. This warranty is only provided to the original consumer purchaser and is not transferable.

Implied Warranty Limitation:

All implied warranties and conditions, including but not limited to the implied warranty or condition of merchantability, the implied warranty or condition of fitness for a particular purpose, and any implied warranty or condition arising out of a course of dealing or of performance, custom or usage of trade, are limited in duration to the applicable warranty time period. Some states' jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Limitation of Liability:

Except where prohibited by law, 3M and the installer of the 3M product shall not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
