

# Sun Control Window Film Training Class

Energy Products Distribution (EPD) offers a one (1) day training class designed to expose the trainee to the basics of insulating window film installation on residential and commercial windows.

By no means will you leave an expert, but you should leave with the skillset necessary to practice – and practice makes perfect.

(Please note that this is not 3M-certified training.)

**\$795.00 PER PERSON**

#### Class Time

8:30 am - 3:30 pm Eastern

#### The price of the course includes:

- Lunch
- Installation tools

EPD University is not an accredited educational institution. It is simply a framework for providing installation, sales, and marketing training to new members of the automotive and architectural film industries.

**Training is conducted at the following training centers.**
