

Non-Branded Automotive Window Film Training Class

EPD offers a two (2) day hands-on installation training class for learning to apply automotive window film. The material for training is supplied and the course includes the following:

- Basic window film knowledge
 - Various types of film construction (dyed, carbon, ceramic, adhesive type)
 - Understanding performance characteristics (VLT, UV, IR)
- Overview of installation tools
 - Scrapers, hard cards, blades
- How to cut film
 - By hand (primary focus)
 - By computer (secondary focus)
- Heat shrinking
 - Demonstrate various techniques on curved glass
- Squeegeeing
 - Demonstrate various techniques on curved glass
- Film removal

You will leave with a Certificate of Completion. (Please note that this is not 3M-certified training.)

The price of the course is \$1,295.00 per person and includes:

- Installation tools
- Lunch each day

Class begins at 8:30 AM and ends at 3:30 PM. (All times Eastern.)

Training is conducted at our training center which is located at:

Energy Products Distribution
4208 Fitch Avenue
Baltimore, MD 21236

Overnight accommodations can be made at the following nearby hotels:

Hilton Garden Inn
5015 Campbell Boulevard
White Marsh, MD 21236
410-427-0600

Hampton Inn
8225 Town Center Drive
White Marsh, MD 21236
410-931-2200

Taking the course does not imply that EPD will sell the trainee or his/her employer material. EPD is only teaching the trainee how to install automotive window film. It is up to the trainee or his/her employer to source material beyond the initial training.

EPD University is not an accredited educational institution. It is simply a framework for providing installation, sales, and marketing training to new members of the automotive and architectural film industries.
